

ARCHITECTURAL Frames in Molded Plastic

Architectural Frames in Molded Plastic is a round and square corner system designed for quality interior signage. Nine different sizes can be interchanged to enhance any interior. The six colors offered are pewter gray, almond, brown, arch brown, black and white.

Plates will snap out of frames for easy changes with the use of a suction cup.

Acrylic lenses are laser cut and snap into frames featuring paper graphics.

A black anodized aluminum bracket with concealed screws is used to mount double sided frames.
